### Sine Qua Non *Focus*

Sine Qua Non is a benchmark California winery known for its uncompromising individuality, micro-production bottlings, and cult status among collectors. Founded by Manfred and Elaine Krankl, SQN specializes in Rhône varietal, especially Syrah and Grenache, crafted with bold creativity and a refusal to replicate the same wine twice. Each vintage is distinct, not only in blend and name, but often in label art and bottle shape, reflecting the winery's deep commitment to expressive, handcrafted winemaking.
